

Technical Lead – Java Backend (m/f/x)

At the next possible date in Berlin or Cologne

Meelogic Consulting AG develops IT solutions for a mobile and interconnected world on the basis of an in depth understanding of technologies and markets in the digital age.

Founded by IT professionals in 2011, today we work in international teams at five locations for well-known customers. These customers are established in their respective industries comprising telecommunication, information technology, automotive, medical technology, energy, mobile, media, transport, logistics and e-commerce.

We combine an agile start-up culture with years of consulting expertise, excellent know-how and a high level of reliability.

At the next possible date, we are looking for a **Lead Java Developer (m/f/x)** to strengthen our team in Berlin or Cologne.

YOUR TASKS

- Lead the development of highly innovative, complex software solutions that significantly impact the future of the Internet of Things
- Consult our customers during the requirement phase
- Architecture, design, and build high performance and high-quality code for web applications
- Collaborate closely with our design and business consulting team and our customers to develop the best solutions for our clients
- Help to analyse and estimate feasibility, cost, timelines for complex web projects
- improve web portals by feature iteration with the designers and user feedback

YOUR PROFILE

- Master in Computer Science, Software Engineering or similar technical degree
- Excellent understanding of Java and/or Scala
- solid know how of at least one additional programming or scripting language (C++, Python)
- > 5 years of experience in Java Backend development, > 2 years as a lead developer or SW architect
- Able to work across the full SW live cycle from design to test
- An eye for clean, testable, maintainable, and performant code
- Proven experience with cloud-based solutions (AWS, Azure)
- Good understanding of databases (SQL & NoSQL)
- Experience with big data technologies (Hadoop, Spark) is a plus
- Excellent communication skills
- Passion for Agile/Scrum
- Very good spoken and written English and German
- Prior sales or project management experience is an advantage

WORKING AT MEELOGIC

- A casual atmosphere in our office right in the heart of Berlin in Friedrichshain directly at the Spree river or at Neumarkt in Cologne
- Flat hierarchies, which encourage responsibility and commitment amongst employees
- A team, which sticks together, across locations, shares knowledge and communicates openly
- Challenging and diverse tasks involving cutting edge technologies
- An international and multi-cultural working environment

- Regular team events
- Flexible working hours to help you manage your work/life balance
